Just a Reminder

Touching Prohibition

A dispatch from Chicago, under date of February 26, says Bishop Thomas F. Gailor, president of the National Council of Episcopal church, said in an address last night that he believed "the eighteenth amendment was a mistake." He also said that he believed in a modification of the Volstead law. "I am in favor of morality," he said, "and I personally observe the Volstead law, but I am opposed to putting summary laws of so drastic a character in the constitution. It partakes of the old philosophy that the matter is inherently evil. I am not speaking in the interest of the underworld, but in the interest of intelligent, upstanding men."

"What's in a Name?"

By MILDRED MARSHALL
Facts about your name, its history, meaning, whence it was derived, significance, your lucky day and lucky jewel.

NATALIE.

NATALIE is another holy name, originally coming from the Latin title of "Deus Natalis," the birthday of our Lord. The word Natalie has furnished the title of the feast to all the Romance portion of Europe.

France made the word Noel from it, meaning Christmas, and soon Noel became a Christian name there. In Italy it appeared as Natale. Spain and Portugal used the name Natal.

There is a feast celebrated on the 8th of September by the Greek church as the festival day of St. Natalie, the devoted wife who attended her husband, St. Adrian, in his martyrdom. He is the same Adrian whose policies filled the Netherlands and whose name became celebrated in the West where his wife Natalie was long neglected. The East, however, revered the arrangement and Natalie is popular there, while her husband is forgotten.

Natalia was one of the favored Greek Christian names. Russia adopted her and, adding the usual consonants of its language, calls her Natalija, Nataaschenka, and Nataasha. The first of the three names is extremely popular there today, or until the Bolsheviks came into power and withdrew the attention of etymologists from the study of feminine names.

France is said to have secured Natalie from Russia, though there is record of a Natalie at Cambrai in 1212. England preferred Natalie to any of the other forms, rejecting Natalia as too Latin in its influence. Whether American Natasies are representative of the English, or taken direct from France, is a matter of personal preference.

The pearl of purity is Natalie's talismanic gem. It promises good fortune for its wearer and makes her gentle, kind, and lovable. Thursday is her lucky day and 4 her lucky number.

MEXICAN CHILDREN ARE WITHOUT ACCOMMODATIONS

(By Associated Press)
MEXICO CITY, Mar. 15—More than 60,000 children of Mexico City are without school accommodations, according to newspaper reports. Of the 160,000 children of school age in the capital, it is said there is room for only 100,000. President Obregon is supporting Governor Gasca of the federal district in his efforts to supply more facilities.

DISCOVERY AT ROYSTON HAS MUCH PROMISE

News of a promising mineral find on the Crow claim at Royston reached Tonopah Sunday. The discovery was made near surface and a 25-foot vein of ore has been uncovered that shows values running as high as 235 ounces of silver a ton, with small gold contents.

The ground in question is being operated by John McGilvary, old-time prospector who has seen service in many sections from Colorado westward, and is that same block as formerly operated by Sol Camp and associates who surrendered their privileges a couple of weeks ago. The new workings lie within 200 feet of the point where Camp and his partners were working and the showing, so far as size of the ore vein is concerned, is said to be even better than the original find made by the former operators.

The new discovery was made at a depth of 3 feet, but there is a well defined wall which leads the leaser to believe that the shoot will be found persistent to good depth. The Wilson lease on the C. O. D. claim of the Hudson Mining company is said to be showing just as strong as ever, and a considerable amount of high grade ore is being extracted. The average value of the product is about \$70 a ton, with the gold and silver values being about equally divided. Sinking is being continued with a view of proving up the persistency of the ore shoot, and indications are favorable for it extending to good depth.

A blacksmith shop has been provided, and everything about the workings is being shaped up to permit of systematic development being waged without interruption.

BOONE'S HOME FAST CRUMBLES IN KENTUCKY

(By Associated Press)

READING, Pa., Mar. 15—Deteriorated by the elements it has withstood for 192 years, the stone house in the foothills of Exeter township, Berks county, where Daniel Boone, the Kentucky pioneer, was born, is slowly falling to ruin from lack of care. Until two years ago the house had been tenanted and the necessary repairs made, but now it is deserted, the cellar full of water, windows broken, floors decaying and the 150 acres of estate are uncared for.

The farm is situated one and a half miles from Stonersville. The lane leading to the premises is marked by a large white rock placed by the Historical Society of Berks county, on which is the inscription: "One quarter mile to the birthplace of Daniel Boone, October 22, 1733."

In this connection it may be said that some authorities give the date of his birth as 1734 and 1735, and his birthplace Berks county, Pennsylvania.

According to history Boone stayed here until he was 17 years of age, when he went to Kentucky. Tradition has it that it was nearby that

TRIBUNAL SAYS THE DUEL MUST NOT BE FOUGHT

(By Associated Press)

HAVANA, Cuba, Mar. 15—A tribunal of honor which has just decided not to allow Mario Garcia Menocal to fight a duel with Carlos Manuel de Céspedes put itself on record as opposed to the idea that a public functionary could be held personally to account for his official acts. The tribunal ruled that there was no grounds for a duel.

Senior Céspedes, who had challenged General Menocal, is the son of a noted Cuban patriot.

The tribunal was composed of representatives of Mr. Céspedes and General Menocal and included a congressman, a senator and Major Armando Andre, captain of the Port of Havana and an authority on dueling. The incident has just come to light through the publication of letters exchanged between the principals and the seconds.

he killed his first bear when he was 14 years old, and he was so proud of his achievement that he carved an inscription on a tree with his hunting knife, reading: "D. Boone killed a bear near here."
